

# A Romantic Weekend

The weekend of your dreams

*...We can both  
Go and come back  
We can forget  
And fall asleep  
And wake up  
To suffer old age  
Fall asleep again  
To dream to death  
Awake  
To smile and laugh  
Young again  
Our love endures  
Obstinate as a mule  
As live as the desire  
As cruel as the memory  
As stupid as the regret ...*
