RESORT

The Svatá Kateřina Resort is a place of harmonic lifestyle and healthy diet. Therefore, nutritional values of each meal are indicated in this menu.

How can you use this information for your health and slim line?

An average woman weighing about 60 kg burns on average 2,000 kcal of energy every day. For a man weighing 90 kg it is about 2,800 kcal.

For example, if you spend an hour working out in a fitness center or if you treat yourself to one hour in wellness, take an hour walk or ride on horseback for half an hour, you consume on average 500–700 kcal.

The remaining energy of 1,300 – 2,100 kcal covers basic life functions and other activities. Therefore, daily energy intake gained from your diet of about 2,500 kcal or 3,500 kcal is considered adequate reflecting the above activities.

***Enjoy your meal at the Svatá Kateřina Resort.***

## FRESHLY SQUEEZED FRUIT AND VEGETABLE JUICES

Fresh fruit and vegetable juices are a perfect source of vitamins and minerals.

We offer delicious combinations that will refresh you, recharge your batteries and support your immune system.

All our fruit and vegetable juices are 100% natural – we do not use any chemical ingredients.

If you prefer, we can also mix your own combination of fruits and vegetables according to your taste and mood.

### **Vegetable juice with a drop of olive oil ... 117 CZK**

*Carrot, apple, beetroot and celery*

If you have not tried to drink vegetable beverages yet, this one is an ideal way to get started and likely fall in love with them. Celery and especially beetroot enhance the delicate flavour of apple & carrots and provide a light purple colour. Above all, these ingredients have a strong cleansing and strengthening effects on your organism.

*Allergens: 9*

### **Orange & lime ... 117 CZK**

*Orange, ginger, lemon and lime*

This is an uncompromising fatigue fighter. Living substances contained in these juices will help to treat strained liver and trigger the proper functioning of your metabolism.

### **Grapefruit & carrots ... 117 CZK**

*Grapefruit, apple and carrots*

Grapefruit, with its exotic flavor, complements and strengthens the fantastic apple and carrot pair. There are too many effective and active substances in this beverage just to list them in this short description. At the same time, its taste is so balanced and delicious that it is hard to believe how each sip will benefit your body.

### **Smooth celery juice with a drop of olive oil ... 117 CZK**

*Apple, celery stalks and lemon*

Celery is an ideal agent for overall organism cleansing. It has very positive effects on liver function and its regular consumption helps balance the body's pH level. It lowers cholesterol, facilitates digestion and promotes weight loss. It helps keeping one's blood pressure down and improves one's skin condition.
